

## **On the issue of efficiency of the device for development of concentrations PRK-1U**

On the issue of efficiency of the device for development of concentrations PRK-1U we announce that the effectiveness of this device for the development of eternal life concentrations is objectively established as follows:

1. Physico - mathematical theory, mathematical calculations, results of experiments, confirmed by the numerous doctors of physico - mathematical and technical sciences who were part of the editorial board of the journal "Electronic Equipment" published in the same magazine:
