

## **Обоснование стоимости сублицензионного договора на Программу Обучения с использованием прибора ПРК-1У или ПРК-1УМ**

По сублицензионному договору на Программу Обучения с ПРК-1У или ПРК-1УМ предоставляется право использования объекта интеллектуальной собственности, включающего в себя следующее:

- Все материалы Программы Обучения Учению Григория Грабового на разных языках на флэш-карте (тексты, аудио и видео). *С начала заключения сублицензионных договоров на Программу Обучения с приборами в 2016 году на флэш-карте передавалось Сублицензиатам различных текстовых произведений в количестве 453, аудиозаписей в количестве 254, видеозаписей в количестве 253. Количество предоставляемых по сублицензионным договорам материалов Программы Обучения постоянно увеличивается, поэтому в настоящее время передаётся больше материалов.*
- Прибор развития концентраций вечной жизни ПРК-1У или ПРК-1УМ, собранный в соответствии с патентами на изобретения с индивидуально расположенной оптикой с учётом индивидуальных данных Сублицензиата.
- Предоставление права использования ПРК-1У или ПРК-1УМ на 4 года (максимум до 8 участников).
- Предоставление в соответствии с запатентованной технологией права использования круглосуточно работающего веб аккаунта видеонаблюдения за дублирующими и усиливающими тремя приборами ПРК-1У на 4 года.
- Предоставление на 4 года доступ в Библиотеку Образовательного Центра, которая содержит все материалы Программы Обучения и в которую постоянно загружаются все новые материалы Грабового Г.П.

**Стоимость материалов загруженных на флэш-карту**, по цене по которой они несколько лет успешно продаются на Амазон, в интернет магазинах [www.ggrig.com](http://www.ggrig.com), [www.grigori-grabovoi.center](http://www.grigori-grabovoi.center) (то есть это реальная рыночная стоимость материалов Программы Обучения) составляет 10280 евро (информация на момент 2016 года, сейчас стоимость материалов выше).

*В Приложении 1 расположены отчёты продаж с Амазона (с 3 по 188 стр.)*

**Доступ в Библиотеку Образовательного Центра** на 4 года оценивается сопоставимой ценой. Так как годовой абонемент в Библиотеку Образовательного Центра (информация на сайте [www.grigori-grabovoi.world](http://www.grigori-grabovoi.world)) стоит 2500 евро, то сумма абонемента на 4 года составляет соответственно 10000 евро.

*В Приложении 2 расположены инвойсы за оплату доступа к библиотеке и выписка из банка о том, что инвойсы оплачены (с 189 по 192 стр.)*

**Сборка прибора ПРК-1У или ПРК-1УМ с учётом индивидуальных данных**, предоставление права использования ПРК-1У или ПРК-1УМ на 4 года для 8 пользователей, а так же предоставление права использования веб аккаунта с дублирующими и усиливающими тремя приборами ПРК-1У на 4 года содержат сопоставимые затраты. Эти затраты содержат себестоимость труда по физико-математическому расчёту, по программированию, себестоимости комплектующих, себестоимость по поставке, сборке и по другим работам. Суммарно получается сопоставимая цена.

Таким образом за стоимость договора предоставляется пакет стоимостью в разы больше, учитывая так же постоянные обновления Библиотеки Образовательного Центра и возможность добавлять модификации прибора.

Себестоимость комплектующих прибора, без учета физико-математических расчетов, программирования, составляет (в период с 2018 по 2024 годы):

- 101 евро для прибора ПРК-1У без бриллиантов.
- 415 евро для прибора ПРК-1У с бриллиантами. Цена может быть меньше или больше до суммы около 500 евро и меняться в зависимости от стоимости работ ювелирной компании, производящей для приборов ювелирные изделия в виде оснований с бриллиантами, которые крепятся на верхней поверхности приборов.
- 117 евро для прибора ПРК-1УМ без бриллиантов.

Эта себестоимость указывается в проформе инвойсе, которая поставляется вместе с прибором ПРК-1У или ПРК-1УМ.

*В Приложении 3 расположены образцы проформ инвойс (с 193 по 196 стр.)*

Также, исходя из того, что сублицензионный договор на программу обучения с поставкой прибора ПРК-1У рассчитан максимум до 8 участников, которых можно включить в договор и обеспечить индивидуальную настройку на каждого участника договора, то получается что при расчете стоимости лицензии **на одного участника** она составляет **334 евро за год** (при стоимости сублицензионного договора 10700 евро), или **1337 евро за 4 года**.

При стоимости сублицензионного договора 9700 евро, стоимость лицензии **на одного участника** составляет **303 евро за год**, или **1212 евро за 4 года**.
